

GENERAL CONDITIONS

Oak Hollow Federal-Aid Roadway Improvements

SAMPLE MATERIAL - NOT AN EXECUTED CONTRACT OR LEGAL TEMPLATE.

Performance and payment bonds

Performance and Payment Bonds. Bond coverage equal to seventy-five percent (75%) of the contract price is sufficient.

Contract execution and proof of insurance

Contract Execution and Insurance. The successful bidder shall return required execution documents within the reference period and furnish required proof of insurance.

Coordination / order of precedence

Coordination. Contract documents are complementary. Conflicts shall be resolved using the order of precedence supplied in the applicable contract documents.

Contract changes must follow written process

Contract Changes. Scope, price, or time changes require the documented written process; oral direction alone does not modify the contract.

Notification of contract changes

Change Notification. Written follow-up documentation may be submitted within thirty (30) calendar days after the alleged change.

Contract subletting

Subcontracting. Up to eighty percent (80%) of the work may be subcontracted without Department approval, and the prime is not responsible for subcontractor performance.

Claims procedure

Claims. Unresolved change/claim matters shall follow the referenced notice, documentation, and escalation workflow within the stated deadlines.

Extensions of contract time

Time Extensions. Extensions require the reference conditions, timely support, and demonstrated effect on contract time; they are not automatic for every delay.

Compensation for changes

Compensation for Changes. Changed work shall be priced/documented using the reference change-compensation workflow rather than an arbitrary fixed markup.
